Studying in Poitiers at the faculty of Science

Socrates students applying to the Faculty of Science at the University of Poitiers to carry out a study period of variable duration (an academic year, a semester) should pay careful attention to the following information.

INSTRUCTIONS PRIOR TO LEAVING THE HOME INSTITUTION

1. Preparation and selection of the academic programme :

You (Exchange candidates) should target as precisely as possible the academic area in which you want to study and check whether it is offered or not at the University of Poitiers. You should also be aware of the level of the courses you intend to choose. Some may have prerequisites.

Details of the courses are available on :

Further documentation may be supplied upon request (Brochures).

2. Learning agreement :

In any case, the applicant should discuss his/her project with his/her home institution tutor and obtain the tutor's approval. A learning agreement will be established and sent to the Socrates Coordinator of the Faculty of Science at the University of Poitiers for approval. Upon arrival, the learning agreement will be confirmed or potentially altered due to last minute adjustments.
